PRACTICE MONDAYS THROUGH THURSDAYS FROM 9:00 TO 10:30 A.M. SCRIMMAGES TO BE ANNOUNCED

This program offers young people the opportunity to learn one of the most exciting, fast-moving Olympic sports from the ground up. Water polo has been compared to soccer in the water. The obvious difference is that you are moving through water and not air. That's a good thing in Fresno during the summer!

Movement through the water, defensive skills and positioning, ball handling, passing, shooting, and offensive positioning will be the emphasis of this program.

Program Fee

\$160.00 if registered on June 11, 2026. \$175.00 after June 11, 2026. Each athlete must be a member of American Water Polo Water Polo for 2026. This is a separate organization from USA Water Polo.
